

We are looking for hard working people to join our growing company!

Charge Posting Position

This is a terrific opportunity for a motivated person looking to advance. You will join a healthy team environment. The Charge Posting position is responsible for keying and checking all patient demographics, preparing and sorting documents from hospital and/or physician offices for data entry. The successful candidate will be responsible for posting charges from super bills as well as internal coding worksheets.

Job Responsibilities include:

- Input CPT & ICD-9 codes into our billing system
- Demonstrate good verbal communication skills.
- Maintain 98% production standard for data entry.
- Complete work in a timely and accurate manner.
- File or route source documents after entry.
- Review medical record documentation to identify all services provided by physicians.
- Ability to type 50+wpm or 10,000 kspH with little to no error.
- Strong customer service and computer skills.
- Recognize ICD-9 and CPT coding mistakes.
- Understand the proper use of modifiers.
- Knowledge of medical terminology and concepts.
- Ability to quickly learn the Billing System
- Other duties or projects may be assigned to meet business needs.
- Perform quality assurance for charges and compliance.

Requirements:

The ideal candidate should have:

2+ years experience with physician billing or ASC billing.

The minimum education required for this position is a High School diploma or equivalent

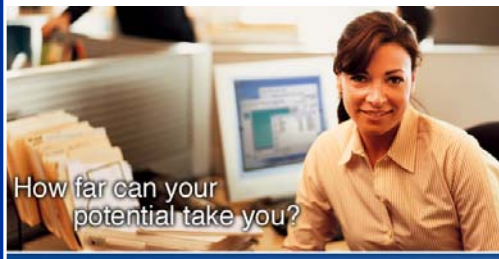

Knowledge of medical billing software(Raintree & Centricity) is a plus.

Experience with HCFA/ UB-04 forms and familiarity with ICD9 & CPT4 codes is a must.

Must have a positive attitude!

We provide a terrific work environment, competitive compensation, plenty of room for career growth and comprehensive benefits.
